Opposite side

- 4 Do steps 2–3 again with your left hand.

- 5 When it's dry, cut along the fold.

- 8 Bring the edges in to meet the middle line.

- 9 Press the flaps down. Put glue on them...

- 10 ...then stick on your handprints.

- 11 Open the card and draw a picture of yourself inside.

Make sure your arms join to your hands.

You could draw or stick on extra details.
